

Reverse Advent Calendar

For Advent 2021 we are inviting you to give towards our 'Reverse Advent Calendar'.

We are all familiar with getting a chocolate or little goody from an Advent Calendar, but what if we were to put something 'in' to a giant calendar to give 'out' at Christmas?

This year we are supporting the local Jarvis Centre (Stoughton Road, in the parish of Stoke) and their work with the most clinically needy children in their care.

Each day during Advent we will place a gift, toy, book or other goodies into a numbered gift bag (up to 25) to be given to the Jarvis Centre just before Christmas for their Children's Team to distribute and deliver to local children in their care.

The children are between 1-16 years old, with the majority between 2-10yrs.
